THE HISTORY OF THE HUMPHREY FUNERAL HOME A.W. MILES – NEWBIGGING CHAPEL LIMITED

Our firm was founded in 1879 by Julius A. Humphrey with the idea of providing the highest level of service to the public.

This continued with his son, Albert (Bert) Humphrey, as well as the third generation, Thomas A. Humphrey, who became president in 1939.

In order to expand our facilities, in 1955 the firm was relocated to its present site in order to be a full-service funeral home in the geographic centre of Metropolitan Toronto.

In 1981 Thomas and his son Bruce, the fourth generation of the Humphrey Family, merged the firm of A.W. Miles Funeral Chapel with the Humphrey Funeral Home.

Once again, part of Toronto’s past is taking it’s place in the future. In 2014, Bruce merged the firm of Murray E. Newbigging Funeral Home with the Humphrey Funeral Home A.W. Miles Chapel Limited; creating the Humphrey Funeral Home A.W. Miles – Newbigging Chapel Limited,

Today, we continue our tradition of excellence that was created over 135 years ago with Bruce Humphrey, fourth generation as our company President.

CONTEMPORARY SERVICES

A contemporary service is generally defined as one which includes any combination of the following elements:

- *a formal or informal gathering/reception, often with personal mementos, photos, and other remembrances present.*
- *a simple or uniquely designed Remembrance Service, with no remains present.*
- *graveside service or scattering of cremated remains.*

One of the many values of a contemporary service is that it allows the creation of a service which befits the uniqueness of the person whose life is being celebrated.

A unique feature of the funeral home is our Remembrance Centre which offers a focal point for memories — photos, cherished mementos, military medals, fraternal pins, etc.

1. GUARANTEED PREPAID CONTRACT

Cash, personal cheque or bank draft

This is a single payment in full, for the services, merchandise, and cash disbursements selected. The money is invested with a third party financial company and remains in the name of the recipient, right up until the services are required.

Payment is made at the time of the prearrangement conference or within thirty days of the conference.

If desired, a formal quotation for services selected will be mailed or electronically sent to you for your consideration prior to prepayment.

When Humphrey Funeral Home A.W. Miles – Newbigging Chapel Limited receives payment in full, we will guarantee that the cost of the contracted services and merchandise will not exceed the total amount invested (including the initial payment and interest), but excluding any existing or future taxes or charges imposed by the Municipal, Provincial or Federal Governments.

Additions or alterations at the time of need to these selected services by the recipient's family or legal representative would be the responsibility of the estate at the prevailing cost.

2. TIME PAYMENT CONTRACT

The Humphrey Funeral Home A.W. Miles – Newbigging Chapel Limited offers many time payment options that can be tailored to fit everyone's budget. Monthly, semi-annual or annual payments, which range from 1 to 10 years, are available dependent on your individual needs and circumstances. There is no interest charged if paid within the first year.

The prepaid time contract will be issued, which will include the schedule of agreed-upon installment payments.

Depending on the type of payment plan issued, if death should occur during the installment period, the balance will become the responsibility of the estate or legal representative and be payable in full within 30 days after the date of death at the prevailing cost.

3. PARTIAL PAYMENT CONTRACT

If desired, the purchaser may elect to prepay only a portion of the cost of the selected services and merchandise. Selected items equaling the deposit amount will be detailed on the funeral home contract. The remaining items that are not prepaid for will be the responsibility of the estate or legal representative at the prevailing cost of services and merchandise selected at time of need.

4. INSURANCE

A funeral prepaid with an insurance product may be the right choice if you are under the age of 75. This product gives you the flexibility to make time payments by direct deposit or credit card options. Your prepaid insurance contract is protected by Assuris, the insurance industry protection fund.

5. PREARRANGEMENT ONLY (*No prepayment is made*)

All services selected are placed on file and prices quoted will be held for a period of 30 days from the date of the prearrangement conference. There would be no guarantee with respect to the cost of any cash disbursements. Following the thirty day period, the current price would prevail. If prepayment is not made prior to the time of death, the estate would be responsible for the cost of selected services.

**NOTE:*

Cancellation:

Prepaid contracts may be cancelled at anytime. Depending on the type of investment selected, the monies held, including interest earned, would be returned subject to a cancellation fee of 10% up to \$350, to the purchaser, the recipient or the recipient's estate, as applicable under the Funeral, Burial and Cremation Services Act, 2002.

If the Humphrey Funeral Home A.W. Miles – Newbigging Chapel Limited Insurance Plan covers the prepaid contract, the cash value at cancellation is outlined in the Insurance Policy.
